**MINUTES**

**WEST LAFAYETTE REDEVELOPMENT COMMISSION**

**609 West Navajo St., West Lafayette, Indiana**

**Council Chambers**

**November 17, 2009**

The meeting was called to order at 8:30 a.m. President Oates presided.

Secretary Sorensen called the role.

Present: Larry Oates, Steve Curtis, Linda Sorensen, Diane Damico, Gary Lehman

Absent: Janet Elmore, Dottie Rausch

**Old Business:**

**Minutes**

Commissioner Lehman moved to approve the minutes of the October 20, 2009 Redevelopment Commission meeting. Commissioner Curtis seconded. Commissioner Damico noted an error on page 4 regarding Resolution RC 2009-6 which read: Commissioner Damico motioned to approve Resolution RC 2009-6, a resolution to Reduce the 2009 Budget. Commissioner Damico seconded. The minutes were corrected to read *Commissioner Oates* motioned to approve Resolution RC 2009-6 a resolution to Reduce the 2009 Budget. The minutes were approved as corrected 5-0.

**Fitness Trail Update**

Parks Superintendent Joe Payne noted that the dead and dying trees have been removed. The track and some of the access routes have been repaved. Weather permitting, fence work around the inside of the track is scheduled for this week. The black chain link fence materials have been delivered. Lighting and sidewalk markers will be done this winter with the landscaping and the latex track surfacing completed next spring. The track should be open for public use this month. Snow removal and methods for keeping vehicles off the track were discussed.

**Riverside Skating Rink Update**

Parks Superintendent Joe Payne provided an update on the repairs at the Riverside Skating Rink. The Ice Mat is being delivered and scheduled for installation tomorrow. Weather permitting, they will begin making ice this weekend and the rink surface should be ready for use on the scheduled opening of November 27<sup>th</sup>.

### Cumberland Avenue Update

City Engineer Dave Buck informed the Commission that the Cumberland Avenue Phase I project was going through a rebidding process. Due to the late timing of some of the addendums as well as bidding irregularities and after consulting with legal counsel, it was determined that rebidding the project was appropriate. The bids are due by December 4<sup>th</sup> and will be opened at the Board of Works on December 7<sup>th</sup>. President Oates noted that the Redevelopment Commission gave the Board of Works the authority to handle the bidding process since they meet more frequently.

#### Review of Financial Schedules

Current financial schedules were reviewed by Redevelopment Commission Treasurer Judy Rhodes. Treasurer Rhodes commented that although no increment has been received for pay 2009, the Commission is not experiencing cash flow difficulties because spending is occurring at a much slower pace. Treasurer Rhodes indicated that if any increment is released this year, it would not be received until the end of December 2009 and most likely not until 2010.

The timing for the release of the Certified Technology increment from the Department of Revenue has not yet been determined. Treasurer Rhodes has been in contact with the State Department of Revenue. When received, the increment will constitute the final payment to the Purdue Research Park towards the \$5M cap.

President Oates commented that in this year of great economic turmoil and not having received any increment yet still remaining solvent, represents the fiscal responsibility which allows the commission to continue doing its work.

### Payment of Claims

Commissioner Sorensen motioned to ratify a Levee/Village TIF Surplus claim in the amount of \$35,520.00 from Everything Ice, Inc. The claim had been previously approved by the Board of Works to allow the timely completion of the Ice Mat delivery and installation. Commissioner Lehman seconded.
